Re: FOIA Case No: NLRB-2023-001491

Dear Nick Ladin-Sienne (Ascent Law, PC):

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received in this Office on May 25, 2023, in which you seek the charge, any letters, and any other materials properly available to the charged party in *TMOG Transit Management of Charlotte NC*, Case Nos. 10-CA-311824 and 10-CA-318355. You assumed financial responsibility for processing your request in the amount of \$37.00.

We acknowledged your request on May 25, 2023.

The FOIA, 5 U.S.C. § 552(a)(4)(A)(i), provides that each agency shall promulgate regulations specifying the schedule of fees applicable to the processing of FOIA requests. Under NLRB FOIA regulations, each request for records shall contain a specific statement assuming financial responsibility in full or to a specified maximum amount, for time which may be incurred in responding to the request. Further, a request for records will not be deemed received until a written assumption of fees is received. NLRB Rules and Regulations, Section 102.117(d)(2)(vi).

As you were advised by a member of my staff on June 7, 2023, the estimated fee for your request is \$74.00. It was explained to you that in order for us to process your request, you needed to inform us in writing that you were willing to assume the financial responsibility of \$74.00 and you were given a fee estimate. You were further advised that if you did not contact the FOIA Branch by June 21, 2023, your request would be administratively closed. To date, the FOIA Branch has not received any response from you. Therefore, your request has been closed.

This administrative closure is not an adverse determination. If in the future you wish to obtain these or any other NLRB records, you must submit a new FOIA request that reasonably describes the records sought and includes an assumption of financial responsibility.
